

OUTright Youth of Catawba Valley

Volunteer Application

VISION: The youth of our community are one of our most precious assets. This asset is not always effectively safeguarded or nurtured in the current cultural, religious, political and familial environment and, as a result, the youth of our community leave when given the opportunity. We believe that a caring and safe environment, and group created to give LGBT youth the opportunity to meet each other for support, education and interaction best serves both the youth and our community as a whole.
